### Helping with Afghan Resettlement in Tulsa

As the sole refugee resettlement agency for Oklahoma, the Catholic Charities of Eastern Oklahoma has been asked to receive 800 refugees by the U.S. State Department. According to a statement from the agency, the refugees represent 200 families who have assisted U.S. service members and were selected by the government to come to the U.S. after health and security screenings. Refugees are expected to arrive over the next 6 weeks although it could stretch out until March 2022.

Many faith groups and nonprofit organizations are working in cooperation with Catholic Charities to provide the basics needed to live in the community.

Help is needed in the following areas:

- Donating items to set up furnished apartments for every Afghan family that is received.
- Making a financial contribution to help assist families with rent, utilities, transportation, and food.
- Providing creative housing solutions and hosting families.
- Serving as a volunteer to help in the process.

To help in any way, go to the webpage at [www.cceok.org/refugees](http://www.cceok.org/refugees). There is a registry of needed items, and also a way to contribute financially or to volunteer. If you need help or more information email [refugees@cceok.org](mailto:refugees@cceok.org) and someone will get back to you.

Our fourth quarter Sunday School offerings will be designated for Refugee Resettlement through Catholic Charities. If you'd like to donate through CTR please label your check or cash envelope as Sunday School offering, Refugee Resettlement.
